BOARD OF LIBRARY TRUSTEES – BUDGET COMMITTEE ITEM VI.A. STAFF REPORT FOR MAY 2024

REPORT: Agenda Item VI.a.

MEETING DATE: May 2, 2024

PREPARED BY: Nikki Winslow

LOCATION: Main Library Community Room

TITLE: Review and Approval of Committee's Recommendation to Adopt the updated Salary Schedule for Fiscal Year 2024-2025 to be presented to Board of Trustees for final approval

BACKGROUND:

The Altadena Library District (ALD) adopts an annual salary schedule which includes 8 steps within a range for each hourly and exempt position. The increase between steps is currently 5% for steps 1-6 and 2.5% for steps 7-8. A cost-of-living adjustment (COLA) is applied annually.

The Consumer Price Index (CPI) has experienced extreme fluctuations over the past few years which influenced ALD to implement COLA of 2% in FY 22, 7% in FY 23, and 4% in FY 24. According to the U.S. Bureau of Labor Statistics, the 12-month CPI for all Urban Consumers (CPI-U) was 2.5% for January, 3.4% for February, and 3.6% for March. The proposed salary schedule for FY 25 includes the recommendation to apply 2.5% COLA in an effort to address inflation and maintain fiscal responsibility while funding other needs of the District. The proposed salary schedule also includes increasing the range between steps 7-8 to 5%, consistent will all other steps.

FISCAL IMPACT:

The COLA and step increases outlined above add \$67,775 to the Salaries and Benefits budget for FY 25.

RECOMMENDATION:

Staff recommends that the Budget Committee review the Salary Schedule for Fiscal Year 2024-25 with a 2.5% COLA increase and 5% step increase for all steps and recommend that the Board of Trustees approve this updated schedule.

Altadena Library District Salary Schedule FY24-25 Proposed 2.5% COLA Effective July 1, 2024

BOARD OF LIBRARY TRUSTEES – BUDGET COMMITTEE AGENDA ITEM VI.B. REPORT for MAY 2024

REPORT: Agenda Item VI.b.

MEETING DATE: May 2, 2024

PREPARED BY: Nikki Winslow

LOCATION: Main Library Community Room

TITLE: Review and Approval of proposed Fiscal Year 2024-2025 Budget to be presented to Board of Trustees for final approval

BACKGROUND:

In consultation with Kristi Even of Eide Bailly, I have drafted the District's FY2024/25 budget for the committee's review. This budget includes requests from all District department heads for programming and other operational needs. This budget includes a breakdown of staffing allocations and costs, a breakout of revenues and expenses by funding type:

- General Fund
- Donations & Grants
- Building Project Fund

The proposed Operating Budget projects utilizing \$72,700 from General Fund Reserves. This is based on conservative revenue projections including the stabilization of property tax revenue with a 2% increase, unlike higher increases that have been realized in the past few years. Notable expenditure increases include a 2.5% Cost of Living Adjustment (COLA) and an increase of health and other employee benefits from \$1,100 to \$1,500 per month per eligible employee. The proposed Donations and Grants Budget fully utilizes the funding for programs and necessary technology upgrades.

The proposed Capital / Building Project Budget presents increased spending in FY 2024/25 with activity in both locations (phases of execution on Bob Lucas and planning the Main Library front). Spending projections were provided by Jennifer Pearson of Rachlin Partners, based on the most recent schedules and timelines. Building project expenditures are projected at \$7,125,000, utilizing projected interest income and drawing down bond and grant proceeds by \$6,844,000. The District feels strong positioned to carry out its normal operations and the capital renovations with the FY 2024/25 proposed budgets.

Unlike last year, we are not making a recommendation to set the rate for the Special Tax Assessment to cover the debt service payments. After consultation with NBS, our Special Tax Assessment firm, the recommendation is to develop the budget after receiving the annual property parcel numbers published in July and bring a rate and corresponding budget to the CFD Committee and then the Board of Trustees at that time.

FISCAL IMPACT:

The proposed General Fund Budget for FY2024/25 projects a decrease of \$72,700 to the General Fund Reserve. The proposed Donations and Grants Budget for FY 2024/25 projects a fiscal impact of \$0 because funds will be spent in their entirety for their targeted use. The proposed Capital / Building Projects Budget for FY2024/25 projects utilizing \$6,844,000 from bond and grant proceeds.

RECOMMENDATION:

Staff recommends that the Budget Committee vote to recommend adoption of the proposed Fiscal Year 2024-2025 Budget to be presented to Board of Trustees for their final approval.
